Our story begins as Canadian Crusader and his team, the Canuck Crusaders, have been captured by an evil horde of robotic beavers!

Oh no! I can't
break loose!

Where did
these beavers
come from?

They
won't
let go!

Fortunately, young
Troy McKenzie
happened upon the
bizarre scene...

Goodness!
I have to help
them!

And so without hesitation Troy turned and ran away... back home to his bedroom.

My favourite superhero and his pals need me! Those beavers were unforgiving! I don't have any time to waste, I've got to find it... it's here somewhere...

Nah! This won't do, and Beaver Boy is out of the question too! Hmm...

Suddenly, a wayward Blue Jay lands on Troy's window sill.

Huh? You again! Shoo! Go away, can't you see that I'm busy?!

wait! That's it!

Several critical hours later...

Tada!
Blue Jay
Boy!

Awesome!

It's Moose Man's mask! He must have dropped it on purpose to leave me a clue!

Though, he doesn't even know I'm looking for him...sucks! That would have been cool. In any case, the team must be around here. Yes!...Those tracks! They lead into the lake. Those beavers must be taking the gang up stream to ...

...the abandoned rocket factory!
That's got to be it!

Blue Jay Boy sneaks up to a window and peaks inside....

Gasp! There they are, Oh no! I might be too late!!!

HA HA! I've done it! With help from my robotic beavers I've captured Canadian Crusader, Goose Gal and Moose Man! Now, in precisely three minutes the rockets that I've strapped you onto will **blast off!** HA HA!

We're in trouble gang!
It's Wilderness Man
the crazed puppeteer!
Can Blue Jay Boy save
our heroes in time?

To be continued!...
